

Regulation Agritourism Limited Liability Signs – Order Form

Lower your farm's risk of liability by posting regulation Agritourism Limited Liability Signs. All signs meet the legal rules of the state Agritourism Limited Liability Law SB 341, enacted in 2015. Signs are made of durable Dibond™ that should last five years in most climates and are easy to mount on posts, buildings or fences. You can screw through Dibond and do not need to punch holes. Each sign is 30" wide x 24" tall and has rounded corners. Signs have been successfully tested for two years in the Willamette Valley.
